

# ClickSign®

## eSignatures are just the beginning

DocMagic's ClickSign streamlines eSignatures for fast, secure, and compliant document handling and storage. Our intuitive workflow includes clear and simple tracking tools designed to give your borrowers a successful signing experience each and every time.

## Easy for borrowers; convenient and compliant for you.

Monitor workflow progress from anywhere.  
Your documents are secured, organized, and  
signed all in one place.

- ✓ Borrowers read and review documents prior to execution.
- ✓ Auto-scroll takes signers to each new action, for an effortless and efficient process.
- ✓ eSignatures are stamped with the date and time, giving you a clear and reliable record.

- ✓ Our eConsole lets you easily track the progress of your ClickSign events.
- ✓ Capture any additional documents uploaded from the borrower.
- ✓ Secure, long-term storage and management for the mortgage document life cycle.
